- During the month of February 1949, 21 military transports with a total of 1,111 cars moved through <u>Kuestrin-Kietz</u> on their way to the west. Each car contained approximately 40 50 men. The transports consisted almost exclusively of young recruits 17 23 years of age. The men were not permitted to leave the cars during their stop in <u>Kuestrin-Kietz</u>. As far as could be observed, only the guards carried arms.
- 3. During the same beriod, 32 empty trains returned from Russia and massed through <u>Kuestrin-Kietz</u> on their way to Germany.
